## **Program Assistant's Notes**

Marching Band School Owned Instruments!

If you are playing a different instrument for concert season, please be prepared to turn in your school owned marching band instrument when we come back in January. I need to get them back into inventory and ready to head to repair for the next season. If you still need your marching instrument for auditions, please email me ASAP. If it became in disrepair under your possession, per your signed loan agreement, please get it fixed at a reliable repair shop. If you need recommendations, please email me.
